

Accelerated Credentialing to Employment (ACE) Program

PROGRAM DESCRIPTION

- The ACE Program is designed to assist Utah veterans and actively drilling service members of the guard and reserve attain employment by receiving educational or vocational degrees or certificates based on their military training and experience.
- The ACE program is intended to provide an avenue for veterans to gain employment in the civilian job market by capitalizing on their past experience, training and knowledge. The program serves Utah veterans, active military personnel, actively drilling service members of the National Guard and Reserve and spouses of the aforementioned. The program can assist individuals who are unemployed or underemployed.

ACE CAN ASSIST IN:

- Coordinating military educational credits, licensing, and certifications with Utah's post-secondary educational institutions and licensing/certification agencies
- Identifying skills and training obtained through military service
- Job searching techniques, resume writing classes, work readiness and interviewing skills workshops
